

**ACKNOWLEDGEMENT OF NOTIFICATION  
OF HAZARDOUS WASTE ACTIVITY  
(VERIFICATION)**

This is to acknowledge that you have filed a Notification of Hazardous Waste Activity for the installation located at the address shown in the box below to comply with Section 3010 of the Resource Conservation and Recovery Act (RCRA). Your EPA Identification Number for that installation appears in the box below. The EPA Identification Number must be included on all shipping manifests for transporting hazardous wastes; on all Annual Reports that generators of hazardous waste, and owners and operators of hazardous waste treatment, storage and disposal facilities must file with EPA; on all applications for a Federal Hazardous Waste Permit; and other hazardous waste management reports and documents required under Subtitle C of RCRA.

Mr. John Middelkoop, P.E.  
New York State D.E.C.  
Hazardous Substances Regulation  
50 Wolf Road  
Albany, NY 12233-7252

Dear Mr. Middelkoop:

Please be advised of the discontinuance of use of E.P.A. Identification Number #NYD 057770679 by Vail Ballou Press, Inc. at 187 Clinton Street in Binghamton, NY 13905. The facility operations have been discontinued at this site and the property has been sold. There was no hazardous waste on site with the last Manifested shipment being 10/27/88.

Sincerely,

Robert Kalka,  
Maintenance Supervisor

## Report Description

This report presents available information from the Resource Conservation and Recovery Act Information System (RCRAInfo) about compliance evaluations, violations, and enforcement actions meeting the criteria supplied by the user. Evaluations showing no violations does not always indicate that no violations were determined. Violation without enforcement actions does not always mean no enforcement action will be issued. In order to avoid releasing enforcement sensitive information to the public the following information is not shown on the report: pending civil / judicial referrals, criminal actions and referrals, and State to EPA referrals; all other enforcement actions are released.

| <b>Transfer Facility</b>         | Indicates that the facility transfers hazardous waste.                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Offsite Receiver</b>          | Indicates that the facility, whether public or private, currently accepts hazardous waste from another site (site identified by a different EPA ID).                                                                                                                                                                                                                                                                                                                      |
| <b>HSM</b>                       | Indicates that the facility manages hazardous secondary material(s) (e.g. spent material, by-product or sludge) that when discarded, would be identified as hazardous waste.                                                                                                                                                                                                                                                                                              |
| <b>Subpart K</b>                 | Indicates that the facility has opted into the subpart K laboratory rule. It then specifies the type of facility (C - College or University; H - Teaching Hospital; N - Non-profit Research Institute; W - withdrawal from the rule)                                                                                                                                                                                                                                      |
| <b>Full Enforcement</b>          | Indicates that the facility is a Treatment, Storage or Disposal facility which is part of the Full Enforcement universe.<br>It then specifies the type of facility (L - Land Disposal; I - Incinerator; B - BIF; S - Storage; T - Treatment)                                                                                                                                                                                                                              |
| <b>CA Workload</b>               | Indicates that the facility is part of the Corrective Action Workload universe. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                                    |
| <b>Active State Gen</b>          | Indicates that the facility is an Active State Generator. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                                                          |
| <b>Converter</b>                 | Indicates that the facility is a Converter Treatment, Storage or Disposal facility.<br>It then specifies the type of facility (L - Land Disposal; I - Incinerator; B - BIF; S - Storage; T - Treatment)                                                                                                                                                                                                                                                                   |
| <b>State TSDF</b>                | Indicates that the facility is a State Treatment, Storage or Disposal facility.<br>It then specifies the type of facility (L - Land Disposal; I - Incinerator; B - BIF; S - Storage; T - Treatment)                                                                                                                                                                                                                                                                       |
| <b>State Unaddressed SNC</b>     | Indicates that the facility is a State Unaddressed Significant Non-Complier. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                                       |
| <b>State Addressed SNC</b>       | Indicates that the facility is a State Addressed Significant Non-Complier. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                                         |
| <b>State SNC w/ Compl. Sched</b> | Indicates that the facility is a State Significant Non-Complier with a Compliance Schedule. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                        |
| <b>EPA Unaddressed SNC</b>       | Indicates that the facility is an EPA Unaddressed Significant Non-Complier. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                                        |
| <b>EPA Addressed SNC</b>         | Indicates that the facility is an EPA Addressed Significant Non-Complier. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                                          |
| <b>EPA SNC w/ Compl. Sched</b>   | Indicates that the facility is a EPA Significant Non-Complier with a Compliance Schedule. ('Y' indicates that the facility is in this universe).                                                                                                                                                                                                                                                                                                                          |

# FOIA Report of Non-Sensitive Compliance Monitoring and Enforcement Data

Report run on: March 6, 2015 - 4:20 PM

Page 4

## Description of codes used on the report:

**ACCESSIBILITY** - indicates the reason why the handler is not accessible for normal RCRA tracking and processing (previously called Bankrupt Indicator):

| Code | Description                                                                                                                                                                                                             |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| B    | indicates that the handler has filed for bankruptcy and bankruptcy litigation is in process.                                                                                                                            |
| C    | indicates that all RCRA responsibilities for permitting/closure, corrective action, and compliance monitoring and enforcement at the facility have been formally transferred to the CERCLA program or state equivalent. |
| F    | indicates that all responsible parties (owners/operators) for the handler have fled the country or are otherwise not available for prosecution.                                                                         |
| L    | indicates that the handler's case is tied up in litigation to the extent that further progress in achieving RCRA compliance through normal enforcement is not possible.                                                 |

**NON-NOTIFIER** - indicates that the handler has been identified through a source other than Notification and is suspected of conducting RCRA-regulated activities without proper authority:

| Code | Description                                                                                                                |
|------|----------------------------------------------------------------------------------------------------------------------------|
| E    | indicates that the handler was initially a non-notifier, subsequently determined to be exempt from requirements to notify. |
| O    | indicates that the handler is a former non-notifier.                                                                       |
| X    | indicates that the handler is a non-notifier.                                                                              |

| Evaluation Type | Type Description                         |
|-----------------|------------------------------------------|
| CEI             | COMPLIANCE EVALUATION INSPECTION ON-SITE |

\* Note: Penalty amount may not reflect all violations cited.
